Thanks Maria. I can tell from your note that the FSF was very appreciative. It will only help us to have them all in the loop and working with us to better the PZ program.

Hi, this is to inform you, that I have spoken to Rick Goukler the SOM from Sec.12 to update him of the following issues:

- The PPZ patrol will be placing generic posters which indicate event Time/Place. Printed schedules will also be used as leave behinds for retailers.
 - Invite them to attend event training sessions to learn more about the program.
 - Upon approval by E.Schauer and legal a follow up memo with schedules will go out no later than Feb. 6
 - In addition a complete schedule of bar nights with the training inf. was faxed this morning to Rick Goukler.
- The feedback from Rick was very enthusiastic and supportive.
